## 1. PREFACE

The Ithaca Fire Department retained Barradas and Partners Architects for the analysis of classroom and administration offices at Cass Park. This analysis includes: two offices, one large classroom, one expandable meeting room, one Radio room, storage, one kitchenette and equipment room. The programmatic needs of NERC were summarized in subsequent meetings with the user groups. Building spaces to house these programs are analyzed in terms of adjacencies.

The project team worked and consulted with:

Lieutenant, Thomas Parsons, IFD  
George Frantz, Planner  
Edward Snyder, USCG Auxiliary  
Donald Campbell, USCG Auxiliary  
Cora Bangs, USCG Auxiliary  
Ralph Jones, Power Squadron  
Brian Willbur, Fire Chief  
John Doyle, Park Director  
Rob Cutting, Cayuga Boat Club  
Dan Rook, Head Coach, Heavyweight Rowing Cornell University  
Rick Manning, Landscape Architect  
Wade R. Utter, Bovis Lend Lease Estimating  
John Clancy, NYS Parks & Recreation  
William Brown, NYS Parks & Recreation  
Sheriff Peter Meskill  
Jack Adams, NYS Park Police  
Brad B. Vaillancourt, Joy R. Knoblauch (B&P Architects)

The architects wish to thank all those involved in the preparation of this study and report.

Sincerely,

John Barradas, AIA
