### CURRICULUM VITAE

#### PROFESSIONAL REGISTRATIONS / LICENSE TO PRACTICE

Architecture license # 025364 State of New York, 1995

#### Objective:

To pursue a role as practicing architect involved in community building. Architecture requires a comprehensive means of communicating thought in public and individual contexts through teaching and questioning. Placing conventional ideas under constant scrutiny requires the mind and skills of a generalist architect who is able to consider manifold alternative directions. Such ideas are materialized in constructs which are often tested — if not transformed further — through a realized pedagogical enlightenment.

#### Education:

Cornell University, College of Architecture Art and Planning (BArch '87),  
and U. Mass, College of Visual and Performing Arts (BFA '79).

#### Accomplishments:

##### Professional Practice:

Barradas and Partners Architects 2001  
Downing Barradas 1996  
Downing Barradas Magré 1995  
William Downing Associates 1991  
HOL&T Architects 1987  
The Architects Collaborative 1981

#### Visiting Critic: Cornell University Department of Architecture

Evaluation of teaching is institutionalized at Cornell through visiting critic invitations. Critique evaluations are very useful instruments to access the development of the student thinking process during studio sessions. I have been a visiting critic at The Cornell University Architecture Program on the following occasions:

Title Semester Visiting Professor

- Architecture Advanced Placement – Summer 2005  
Vincent Mulcahy/ Joy Knoblauch
- Architecture 303 - Nov. 3rd Solar Decathlon Class Spring of 2004/  
Felicia Davis
- Architecture 401 – Professional Practice Fall 2002  
Mario Shack
- Architecture 402 – Professional Practice Fall 2001  
Mario Shack
- Architecture 202 – Architecture Design Fall 2000  
Charles Pearman

#### AWARDS & PUBLICATIONS

Architect for Olin Library Renovations:

[http://www.library.cornell.edu/iris/notes/notes\\_82002.html](http://www.library.cornell.edu/iris/notes/notes_82002.html)
